COMMISSION OF FINE ARTS

Dear Mr. Brown:

This letter has been written to express our appreciation for your acceptance of the materials that described several modifications to the sculptural element for the Women in Vietnam Memorial. The materials were reviewed and approved by the Commission at its April 16 meeting.

The review has allowed continued progress on the memorial and was necessary to maintain the Foundation's schedule of construction for a planned Veterans Day 1993 dedication.

Sincerely,

Acting Regional Director, National Capital Region
